Prayer Cards

Each box contains 20 freestanding prayer cards that can be filled out with pictures and personal information for everyone on your daily prayer list. Inside each card is room to record and monitor prayer requests.

The cards may be stored in the box for easy access during your prayer time, or they can stand on your Bible study table, your bedside dresser, or wherever they can be easily viewed and remembered.

Chapter 14 of ***God's Path to GOLDEN SPLENDOR***- by Jacki Martin, encourages readers to "*Think Outside the Box.*" It includes the heart-warming story that inspired the creation of these prayer card boxes.
